- **Arcomet distributorship to herald in wider use of self-erecting cranes in Singapore and the region.**
- **Group expects warm reception of new product offering in the industry with its productivity and cost benefits.**

SINGAPORE – 19 February 2014 – Mainboard-listed **Sin Heng Heavy Machinery Limited** (“**Sin Heng**” or the “**Company**”) and its subsidiaries (collectively the “**Group**”), a lifting service provider and equipment trader, has been awarded the exclusive distributorship of Arcomet's self-erecting crane in Singapore as well as Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Thailand and Vietnam.

Founded in 1954 at its global headquarters in Belgium, Arcomet has become one of the world's largest crane rental companies and an OEM of its self-erecting cranes. Since designing and manufacturing its first self-erecting crane in 1968, Arcomet has continued to develop new models with its most recent Eco range bringing low power consumption advantages.

Mr. Don Tan, Managing Director of Sin Heng, commented, “To augment our product offerings, we are always on the lookout to bring in suitable machinery which is acceptable in our markets. We are confident that the self-erecting crane can help to reduce the use of manpower and improve overall productivity through their ease of assembly and flexibility of deployment.”

The Group intends to bring in several models with different capacity, reach and mode so as to cater for different lifting requirements. The Group believes that this new distributorship will herald in the wider use of self-erecting cranes in Singapore and the region.

Mr. Tan added, “The Group's latest product offering will definitely widen our scope of providing lifting solutions. We will continue to explore opportunities to expand our business either through entering new markets or introducing new products.”

ABOUT SIN HENG HEAVY MACHINERY LIMITED

Sin Heng Heavy Machinery Limited is one of the leading home grown lifting service providers in Singapore. With over 40 years of experience in the industry, the Group is now acting on its strategy to expand its regional presence. Our ventures in Indonesia, Myanmar, Vietnam and Malaysia strategically place the Group on a springboard to a period of strong growth.

Listed on the SGX Mainboard in February 2010, Sin Heng counts as customers many major players in the infrastructure and geotechnic, construction, offshore and marine as well as oil and gas industries. The Group played a key role in a number of landmark infrastructure and construction projects in Singapore, including the Singapore Flyer, Marina Bay Sands Integrated Resort, Resorts World at Sentosa and Marina Coastal Expressway.

Our track record and sterling reputation have earned us the dealership rights for the sale and distribution of cranes and parts for Kobelco, one of the world's top crane manufacturers. We are also the authorised distributor for Kato, one of the world's leading hydraulic crane manufacturers, to deal in new cranes and parts in Brunei, Malaysia and Indonesia. In addition, we are granted the distributorship rights to deal in mini crawler cranes known as Mighty Cranes and its related parts in Brunei, Indonesia, Malaysia, Myanmar and Singapore.
